# REPORTING OF PUBLIC VENDOR CONTRACTS OF \$1,000 OR MORE

In accordance with the School Code, Section 10-20.21, all school districts are required to file a report listing 'vendor contracts' as an attachment to their budget. In this context, the term "vendor contracts" refers to "all contracts and agreements that pertain to goods and services that were intended to generate additional revenue and other remunerations for the school district in excess of \$1,000, including without limitation vending machine contracts, sports and other attire, class rings, and photographic services. The report is to list information regarding such contracts for the fiscal year immediately preceding the fiscal year of the budget. All such contracts executed on or after July 1, 2007 must be approved by the school board.

See: School Code, Section 10-20.21 - Contracts
